Dear

Thank you for submitting your abstract for presentation at IAIA24, "Impact Assessment for a Just Transformation," to be held 24-27 April 2024 in Dublin, Ireland.

Your abstract has been accepted for in-person presentation in Dublin.

I have reviewed your paper abstract and found that it meets preliminary acceptance requirements set forth by the Program Committee.

Congratulations - you may begin making your conference plans!

Please note you selected your *preferred* session upon abstract submission; the Technical Program Committee reserves the right to reassign your abstract to an alternate session at any time as needed.

IAIA24 is an in-person conference; no pre-recorded or virtual participation will be possible.

Presenting author registration

Confirmation of your presentation on the final schedule is contingent upon receipt in IAIA Headquarters (HQ) of the presenting author's registration and full payment of fees by 24 January 2024 (no exceptions). As of 24 January, your presentation will be dropped from the program if you are not yet registered with fees paid in full. You must attend and present in person at the conference in order to be included in the program and proceedings.

Registration is open at <https://2024.iaia.org/iaia24-registration/>.

Please note that while some limited [financial aid opportunities](#) are available, IAIA in general does not have funds available to pay registration and/or travel expenses for program participants.

Presenting author substitutions

Substitutions for presenting authors may be made until 24 January. The substitute must be registered for the conference by 24 January, must be an original co-author, must not exceed the one-session-per person rule, and will be listed as the presenting author in conference materials. Please contact jen@iaia.org with the original presenting author's name; the substitute's name, e-mail address, organization, country, and short (30-word maximum) bio; and the abstract name and number.

No other changes to your submission are accepted after 24 January 2024.

Notification of presentation time

You will receive final confirmation of your place on the program as well as specific details and information about your session between 26-29 March 2024 (contingent upon your registration and payment of fees by 24 January).

Please note that requests for specific presentation dates and/or times cannot be addressed due to the large number of presentations and other factors that the Program Committee must consider when scheduling the overall program.

Papers/Online proceedings

The submission of a paper is optional, but strongly encouraged. The intent is to post draft papers before the conference to inform preparations for conference discussions, and to post final papers following the conference so that you can incorporate suggestions from delegates in your final version, which will be included in the online conference proceedings. This is not a formal peer review.

There is no formal template for the paper, other than the following guidelines: papers must be no longer than 2,000 words (approximately five pages in length), of which a minimum of 1,200 words must be written in English and the remaining 800 words may be done in the language of your choice. References are additional, which may bring the total word limit to 2,500 words. Papers should be no more than 1 MB in size and saved as a PDF with the file name in this format: Abstract submission ID number_Primary author's family name_First_Four_Words_of_Title (do not leave empty spaces between words). From 1 February to 19 April, draft papers can be uploaded to <https://2024.iaia.org/pages/iaia24-draft-paper-submission.php>. Final papers should be uploaded to <https://2024.iaia.org/pages/iaia24-edited-paper-submission.php> between 6 May and 30 June.

Please note that you must be registered, with fees paid, by 24 January and you must make your presentation in person in Dublin in order to have your paper published in the online proceedings.

Please do not hesitate to request guidance regarding the paper submission process from Jen at IAIA HQ (jen@iaia.org).
